November 6, 1973

At its regular monthly meeting on Thursday, November 1, 1973, the CURE Board voted to have the president appoint two committees. One was to examine the by-laws and bring back to the Board any recommended changes. Another was to review the goals of CURE, redefine them and develop new ones, as appropriate; and to recommend committees through which the implementation of the goals might be effected.

These committees have been appointed and will meet as follows:

By-law Committee: Al Pazos, chairman, Joe McGuire, and Doug Regin

Objectives Committee: Shuf Swift, chairman, Keith Robinson, and Roberta Heyer

The By-law Committee will meet on Wednesday, November 14, 1973.
The Objectives Committee will meet on Thursday, November 15, 1973.

Both committees will meet in the CURE Office, 3944½ Third Ave., at 7:30 pm.

IMPORTANT Your participation in these meetings is not only invited, it is encouraged. Please feel free to encourage the participation of any other members whom you feel have a contribution to make.

Goals Committee Report

General: To promote on a community wide basis the principles of racial equality in San Diego County; to encourage through discussion, through news media, through working with various governmental entities, and through individual and group effort the implementation of the recommendations contained in the Report of the National Advisory Commission on Civil Disorders; to cooperate and work with other groups and oerganizations with similar goals; and to enlist the aid and support of increasing numbers of citizens in moving toward these ends.

Primary Tasks:

1. Newsletter - Seek an editor and staff. Establish regular publication dates and schedule.

2. Education - Meet with new School Board members, possibly at a potluck dinner. Work with other groups seeking ESAA funds. Continue to work for truly equal educational opportunity, which still appears to mean an integrated education. However, any and all avenues should be explored.

3. Balanced Community - Continue to monitor and work with the Mayor's Balanced Community Task Force. Explore the possibilities of meeting with the City Councilmen, Supervisors, etc., to see how we might work with them. Continue to work with HUD. Seek articles for the newsletter on examples of balanced communities in San Diego County.

4. People Panels - Develop training program for the Panels. Seek to advertise the panels and make them available to more groups, including schools.

5. Programs - Sponsor programs to which the whole community would be invited, using well known speakers, or other attraction. An example would be the Seidenbaum program.

Secondary Tasks:

1. Publicity for CURE.

2. Cooperate in as many areas and programs as possible with other groups such as HHRA, LWV, NCCJ, NAACP, Urbán League, Chicano Federation, HRC, HUD, etc.

Internal Tasks:

1. Fund Raising.

2. Cookbook Sales.

3. Audit.

4. Membership.
