To the GRAMMATEI OF ALL BOULES

Dear Archon Grammateus:

The Executive Committee of our fraternity has bestowed upon me the remarkable and challenging task of bringing the History of Sigma Pi Phi up to date. To follow the path of the late Archon Charles H. Wesley is, of course, both awesome and inspirational.

As I have studied the Journals and the minutes of the Grand Boule, many questions have come to mind. I send this first request to you for some answers:

CONCERNING THE BOULE ITSELF

1. If your boule has compiled its own history, please afford me a copy. If your boule has made annual reports, I wish copies of them also.

2. Specify the social action programs your boule has undertaken: adoption of a school, a class, individuals; assistance to community needs; etc. Please be as specific as possible.

3. Celebrations: anniversaries; social and/or cultural entertainments of a special nature; any other all-boule activity (or activities).

4. Does your boule have life membership in the NAACP?

5. Does your boule have a limit on the number of archons you can add to your membership? How large a group can your long-term plan accommodate?

CONCERNING INDIVIDUAL ARCHONS

6. How many of the archons in your boule are graduates of "historically" black colleges? How many of white colleges?

7. How many archons in your boule are Phi Beta Kappas? (Please name them.) How many archons are members of other Honor Societies? Please name the Societies and the archons.

8. How many archons in your boule graduated with academic honors -- summa cum laude, magna cum laude, or cum laude? Please name the archon and the academic honor.

9. Name the professions that are represented in your boule. How many archons are in each?

10. Archons elected to public offices -- mayor, city council, other legislative bodies. Please specify the office (and the archon).
