Effective immediately, the Grand Boule prohibits individual receptions and other social functions by and on behalf of candidates for office in the hotels where Grand Boule functions are being held.

In lieu of such individual receptions, the Grand Boule will organize an appropriate reception for all candidates for elective office.

The Grand Boule strongly discourages candidates from 1) conducting campaigns that do not observe the high ideals and traditions of Sigma Pi Phi Fraternity; and 2) soliciting and/or accepting campaign contributions of any kind from corporations or other non-Boule entities.

The Archons and Archousai of host Omicron Boule have planned a fabulous Grand Boule which takes maximum advantage of the summer splendors of Minnesota and the socio-cultural richness of Minneapolis-St. Paul. Omicron Sire Archon Ron James said the highlights of the 45th Grand Boule will include:

- A featured Minnesota evening at the acclaimed Guthrie Theater. You will be entertained by a finger-popping theatrical performance, "Always and Forever", with songs from the "Golden Age of Rhythm and Blues."
- A golf tournament on Minnesota's #1 Public Course, "The Wilds", a tennis tournament at the Northwest Racquet Club, or fishing on the city's largest lake, Lake Minnetonka.
- A mesmerizing spiritual extravaganza that will take you back to our roots and bring you to tomorrow with some of the Twin City's best gospel talent.
- For the youth, a skating party, a trip to the Science Museum of Minnesota, fun at Valley Fair Amusement Park, and the Youth Achievement Recognition Luncheon.
- For the Archousai, the latest in fashions at the Archousai Fashion Show and the Archousai Breakfast featuring former Secretary of Transportation, Hazel O'Leary. (And don't forget, Minnesota boasts the country's largest shopping mall with a theme park — The Mall of America, plus 400 stores near the host hotel, and no sales tax on clothing).
- A tribute to some of Minnesota's greatest sports legends.
- A Boule Foundation Night with entertainment provided by the Sony Corporation.
- A "black tie" closing gala with entertainment by the incomparable Lou Rawls.

Beginning in April (and in future issues of *The Boule Journal*) Archons will receive conference registration information, including reservation requests for our block of rooms at the host Minneapolis Downtown Hilton. Please note:

Registering through the Boule national office will insure you are assigned a room in our "block of rooms" which guarantees you the discount rate we have negotiated, and facilitate your ease of registration upon arrival. While some of you are calling early to secure rooms, be aware that they are not in the Boule negotiated "block of rooms" and are not subject to the discounted rate or ease of registration at check in. Please use the Boule national office registration process, and check out the Boule website!

DELTA XI BOULE'
DIAMOND BAR, CALIFORNIA

RECOMMENDATIONS FOR THE DELTA XI MEMBERSHIP COMMITTEE

As chairman of the membership committee I recommend that the following criterion be used.

1. That prospective Archons be invited to address Delta Xi at a regular monthly meeting. This address should pertain to their career (not the Boule'). That they be invited additionally to an affair sponsored by the fraternity for the purpose of Archons getting to know prospective Archons.

2. That prospective Archons who are being considered and have been voted upon be encouraged to read that material available in public libraries, the internet or similar vehicles where such information and public knowledge about the Boule' may exist.

3. That prospective Archons be introduced to Delta Xi without their being aware of any consideration of their candidacy and that the Archons of Delta Xi be encouraged to know the prospective Archons.

4. That careful scrutiny of any prospective Archon, be made after he has seriously been considered for the Boule' and that he be made aware early on after Delta Xi's interest in him, to the expenses of his membership and all other obligations and expectations relative to becoming an Archon.

5. That he be required to research the biographies of at least 5 Archons nationally known, so that he be made aware of the prominence of the Boule' and of it's membership.

6. That he be sponsored by an active Archon in Delta Xi and that the sponsoring Archon introduce him and serve as his mentor while his candidacy progresses and he is carefully studied for membership.

7. That he be invited to hear Archons of other subordinate Boule's whenever possible that may address Delta Xi on non esoteric topics.
