Re: Krishnamurti Foundation of America -
Dr. Allan W. Anderson

Dear Mr. Condra:

Pursuant to your letter of May 17, 1974, I am returning herewith two fully executed copies of the document.

Krishnamurti Foundation of America is a charitable trust, rather than a corporation, and thus it does not have a corporate seal. Erna Lilliefelt is one of the trustees of Krishnamurti Foundation of America and she is the trustee who usually signs documents on behalf of the Foundation in the ordinary course of its business.

Both the trustees and I are pleased that this matter has been amicably resolved. Thank you for your cooperation.

Sincerely yours,

BUCHALTER, NEMER, FIELDS
& SAVITCH
