Dear Dr. Anderson:

Enclosed is our check in the amount of $200 to reimburse you for legal expenses in connection with the release on the tape dialogues.

We here had been under the impression that this matter had been cleared in advance and regret very much the discomfort and expense which developed. I am sure the success of the dialogues themselves will make up for it.

With best greetings and many thanks for your participation in the project.

Sincerely yours,

Edna Lilliefelt
