Concentrated primarily on the traumatic effects of the migration experience itself on the Mexican. Data on the problems of a slowly-assimilating minority is less extensive. The chapters dealing with the causes of emigration from Mexico, and their reflection in the mentality and attitudes of the Mexican-American, are still excellent.

GRIFFITH, Beatrice: AMERICAN ME (SDPL) 1948
Written largely in the aftermath of the "zoot-suit" riots of 1943. Half of the chapters are imaginative reconstructions of typical Mexican-American experiences--finding a job in the face of discrimination, facing the law, and so on. Emphasis is laid on the civic injustices perpetrated on Mexican-Americans.

LOYA, Diego G. MOSAIC OF MEXICAN HISTORY (SDPL)
Pub: Editorial Culpura: Mexico 1960
A vivid description of the Aztec Empire prior to the Coming of the Spaniards and the social, military and economic conditions of Mexico before the so-called conquest.
