If you're looking for Foundation money in San Diego County . . .

. . . you may need all the help you can get!

Yes, if you're seeking Foundation funds, you need our San Diego Foundation Profile Analysis - a proven Directory of nearly 100 San Diego Foundations - the West's most carefully compiled and maintained Foundation list ever!

As an administrator of a non-profit organization, it's your responsibility to know precisely what Foundations are doing.

Our San Diego Foundation Profile Analysis will tell you. You'll be the first to know the assets of Foundations, charitable records of grants, whom to call, and where to write.

You can truly benefit from this knowledge. For a price lower than you would pay a good researcher for a week's work - only $150 for this hard-bound, three-hole punched directory (and it would take a researcher a full four months to complete this task). You'll have at your fingertips interpretive, in-depth, up-to-date information on San Diego's most important Foundations.

WE SAVE YOU THE HERCULEAN CHORE OF GATHERING AND CATEGORIZING INFORMATION. AND WE SHOW YOU THE SIMPLEST WAY TO GET AT THE HEART OF THE PROBLEM. PLUS REDUCE THE UNCERTAINTIES REGARDING WHICH FOUNDATIONS COME CLOSEST TO MATCHING THE NEEDS OF YOUR PROPOSAL.

In development and fund-raising, you know that identifying the Foundations most likely to support your projects boils down to three essential tasks:

. . . knowing what to look for
. . . knowing where to find it
. . . evaluating that which you have gathered

Our San Diego Profile Analysis of Foundations does these things for you. It helps you seek out the Foundations whose interests are in common with your proposal ... whose financial resources are adequate to fund your development ... and whose inclination it is to do so.

No similar reference work - nothing remotely akin to this directory - has ever been published. Anywhere by anyone. It's a versatile, flexible, and definitive research modality. To make your Foundation fund-raising efforts more effective, more productive, order your copy today.

Kindest regards,

Larry H. Cafer
Director of Development

In case you're interested in raising money
from Foundations . . .

We wish to bring to your attention the immediate availability of the most comprehensive study undertaken to date, of foundations in San Diego County.

Our San Diego Foundation Profile Analysis has been professionally prepared and incorporates the foundations' assets, charitable records of grants and, in many cases, the Board of Directors and their addresses - important if your own Board Members plan to make a personal solicitation.

This hard bound, three-hole punched directory is available for $260. If you do not have sufficient staff to pursue your own research, you might want to seriously consider this ready-made foundation program in your future development and fund raising plans.

Kindest regards,

Larry H. Cafer
Director of Development
