The next CURE Board meeting will be at 7:30 pm, Thursday, August 1, 1974, at 3944½ Third Avenue.

Agenda:

1. Approval of previous minutes.

2. Treasurer's report.

3. Old Business:

   a. Discussion of identification of local American Indian grievances and the possibilities of action in support such grievances. Mary Eunice will try to identify some local issues.

   b. Discussion of discriminatory practices against Mexican-Americans employed on chicken farms in north county, if new information or suggestions are offered.

4. New Business:

   a. Selection of officers and committee assignments for the coming year.

5. Announcements.

In January four committees or areas of responsibility were established: Program, Finance, Legal and Newsletter. Shuf is responsible for the Newsletter, though not as part of the duties of President. Helen has been responsible for Program, but has not been able to be active recently because of her health. That job was to belong to the Vice President. The Treasurer was to be responsible for Finance, but we have been without a regular Treasurer since April. The Executive Secretary, Martha, was to be responsible for Legal.

It is suggested that discussion begin on filling these responsibilities and the offices. Perhaps, because it is still summer and vacation time, there will not be enough members present for decisions. However, perhaps interests can be expressed, abilities explored, and questions answered for potential officers.
