CURE Board of Directors meeting: Sunday evening, June 14, 7:30 pm.

Aimee Lee Cheek's home, 6209 Estelle Street, phone 286 8723.

(A couple of blocks south of El Cajon and a block east of College)

At our May meeting the present Board scheduled this meeting. We realized it would be inappropriate to conduct business, other than the election, at the annual meeting, because of the special program on school integration with Dr. Paul Salmon and Mrs. Laverne La Motte. What we did not realize was that we would no longer be in office. A new board would.

However, we propose to have the gathering anyway. Someone has to start the new board rolling. We propose to use it to get acquainted, to discuss where CURE is, where we might go, funds and funding, and new officers. Decisions will be made at a later meeting.

There is one piece of business that must be accomplished. Beth Carr has been a faithful treasurer for two years. She has asked to be relieved. We have an obligation to replace her at once. Would any board member like to assume this responsibility? Do you know of any other member who might serve in this capacity?

Present board members are not only invited to attend, but urged to do so. Other interested members are also invited.
