The Hon. Earl B. Gilliam, Judge
U.S. District Court, Southern District, California
940 Front Street
San Diego, Ca. 92101

Dear Judge Gilliam:

After your long and arduous confirmation hearings, I am delighted that your appointment to the Southern District Court is confirmed.

As a student at Western State, I will always remember you as the man who taught me Contracts without a textbook, and taught me well. In my first future appearance before you, I hope that the training shows.

Congratulations!

Sincerely yours,

Lucius M. Quinney
