Coalition for Fair Reapportionment in '71

Gentlemen:

CURE's annual luncheon will be next Thursday June 3rd. We expect up to 200 persons to attend this meeting. There may be a variety of San Diego community leaders from many organizations along with CURE members in attendance.

This could provide an avenue for distribution of 200 to 500 copies of your flier entitled "Reapportionment 1971". If you would send us this many copies by June 2nd, we would be happy to make them available for those present at this meeting.

Thank you,

Mrs. Dorothy Lloyd
Executive Secretary
