Dear Alan:

As you can see from the new address above, Kay and I moved to San Diego County to live and are settling in nicely. We are in the process of buying a house at 926 Havenhurst Drive, La Jolla, for which escrow closes April 2. If you need a quiet place to relax when you visit San Diego, we would welcome you to stay as long as you like. It would be great to see you again away from the hustle and bustle of campaigning.

An additional reason for this letter is to tell you about an interesting person who is a Superior Court Judge, a black man, and a fine human being. I have been involved with Judges on a close basis with many opportunities to observe the merits and demerits of their actions. I found Earl Gilliam to be one who would be an outstanding addition to the Federal Bench in San Diego. I would encourage you to carefully review his application when it comes before you.

Be sure to give my regards to Kim when you see him again, and tell him to call me when he visits San Diego.

Very truly yours,

Phil
