[TMS-0494.012.018.001]

We, the citicens of San Diego are outraged at the unconscionable delay in the confirmation of Judge Earl Gilliam to the Federal District Court of Southern California. We urge the Senate Judiciary Committee to stop this charade of unsupported allegations, and immediately confirm Judge Gilliam. We especially urge our Senator Cranston to use his influence to get Judge Gilliam's appointment confirmed.
