Mr. Harold Brown

Dear Mr Brown:

I have written the american consul General in Tiajuana Bfa. Mexico of Racial discrimanation being practised by the Del Mar Cafe 712 Madero.

as this against the law of Mexico We are wondering why these White americans can come to Mexico and defy the Law of the land by starting, organizeing, and be able to tell Mexican Citizen's they have to discriminate against American Negro's.

I do not expect a reply from the Consul as, he also has no American Negro's Working in the American Consul.

Your organization can help by writeing letters to the proper American Authorities.

Sincerly
James H Freeman
