Two CORE Leaders Here Arrested at Press Conference

Sheriff's deputies walked into a press conference at Congress of Racial Equality headquarters here yesterday afternoon and arrested the group's chairman and first vice chairman.

Harold K. Brown, 30, of 762 Bollenbacher St., San Diego CORE chapter chairman, and Ambrose Brodus, 30, of 653 San Miguel St., were arrested on warrants accusing them of violating a preliminary injunction prohibiting mass picketing at the Bank of America here.

Eight of 23 persons ordered arrested by Presiding Superior Court Judge Vincent A. Whelan have been arrested, booked in county jail and released on $300 bail each.

Following the arrests of Brown and Brodus, the CORE membership voted last night to invite Mayor Curran to meet with the group in a rally at 4 p.m. today at the main entrance of the Civic Center.

The action to meet with Curran canceled a previous motion passed by the membership to continue to demonstrate at the Bank of America today.

CORE officers said last night that the invitation to Curran was in reply to a statement he issued yesterday asking civil rights demonstrators to "use proper and established legal procedures to enhance their cause."

The CORE officials said they will ask Curran to give his views of proper legal procedures.

Brodus was arrested about 5 p.m. at a press conference at CORE headquarters at 2965 Imperial Ave. Deputy sheriffs in plain clothes came in the front door of the office while uniformed officers entered the rear door.

Brodus cooperated with officers in the arrest. Brown was arrested at the office about 30 minutes later after he arrived at Lindbergh Field on a flight from New York, where he had attended a CORE National Action Conference. At the conference, CORE voted to continue demonstrations despite a request for a moratorium by other civil rights groups.

Brown refused to walk out of the office with deputies and had to be carried to a squad car. At county jail the CORE leader refused to stand during booking procedures and sat on the floor for about an hour before he was booked and released on $300 bail.

Others Not Named

Earlier yesterday, Stanley Crockett, 35, of 6165 Montezuma Road, was arrested at San Diego State College where he teaches.

Five others also were arrested earlier in the day.

They are Charles Cornelius Collins, 45, dean of Grossmont College, and his wife, Ann, 43, of 4404 Shelton Drive, La Mesa; William Robert Beard, 34, of 3215 Bramson Place; Frederick Cawley, 32, of 2444 River Road, National City, and Mildred Gustophson of 931 56th St. They later were released on $300 bail.

Crockett and Brodus were also released on $300 bond.

The remaining 15 CORE members ordered arrested were not named individually by Whelan in the warrant.

A hearing on the contempt citations was set for 10 a.m. Thursday by Whelan.

New Panel to Govern Some SDS Sororities

A new Panhellenic council will be formed to govern San Diego State College sororities which refuse to sign an anti-discrimination pledge, student leaders said today.

So far, three of the 12 campus sororities have signed pledges required by a 1959 ruling of the Board of Trustees of California State Colleges.

The ruling, which becomes effective Sept. 1, prohibits membership limitations involving race, creed, religion or national origin. Those which do not sign pledges will forfeit campus recognition.

Mrs. Jonaphan Sandy, public relations adviser for the San Diego State College Panhellenic Council, said a new council will be formed to govern those which do not sign.

She said the ... legiate Panhellenic Council.

Mrs. Sandy said some of the remaining nine sororities will sign the pledge, "but I'm sure there will be some who will not sign." Mrs. Sandy said she did not know which sororities will not sign.

Terry Shonaker, president of the present college Panhellenic Council, said she will continue to be president of the campus group since her sorority, Alpha Phi, will sign the pledge.

Sororities which have signed are Alpha Chi Omega, Kappa Alpha Theta, and Alpha Xi Delta, said Mrs. Margery Warmer, dean of activities.

Mrs. Warmer said groups refusing to sign will lose campus recognition and use of campus facilities.
