Volunteers from Southeast San Diego are needed to help with a voter registration campaign in the 4th councilmanic district.

A campaign to register residents of the 4th district to vote in the September and November city elections has been organized by Chuck Adams, Community Organization Specialist for Metro.

Arrangements have been made for deputy registrars to be working at the following locations: Safeway markets at both 25th & Imperial and Federal & Euclid; Buono's Market at 30th & Imperial; Swaya Brothers Market at 30th & Ocean View; Rancher's Markets at 43rd & National and Logan & Euclid; Rexall Drug store at Churchwood & Euclid; and Big Bear Market, DeFalco's Market, Thrifty Drug store and Fed-co at Federal & Euclid.

Fourth district residents are urged to register before the deadline of July 24 so they will be eligible to vote for their candidate in September.

Help is needed from those who live in the area, to make this campaign a success. Would you be able to work with a deputy by contacting citizens as they complete their shopping at these locations and encouraging them to register? Your participation in this effort is essential. For forther information please call Mrs. Edward Sacco 286-0630.
