Hi Judge,
Howard Wayne is going to close down the Assembly early in honor of Judge Gilliam. I don't know when, but from Sherry's note it appears Rebecca is invited to attend if she'd like. I don't want to bother her right now. Do you think this is something she's like to do? They will send her the minutes either way. Thanks.

I just got a call from Assemblyman Howard Wayne's office. They are preparing a memorial resolution for the funeral and hope to have it ready for Tuesday. I will incorporate it into my 2 minutes. The Assemblyman also plans to adjourn an assembly session early in Judge Gilliam's honor and say a few words about the judge. They will send the minutes to Rebecca if she'd like to have them. Or maybe even be present.

Please pass the note on to every African American attorney in town and take responsibility for getting at least one other lawyer there. Let us make a good showing.
