Dear Sir:

Some time in March the Southern Region CPPCA Conference will be convened. As Program Committee Co-chairmen we have established the theme of the meeting to be "Community and Human Relations as it Concerns the Field of Corrections".

We feel that in order to uncover areas of importance to corrections, so far as inter-group relations is concerned, we should meet with you and others who are close to the subject so as to elicit from you your ideas. From these ideas we will develop the program.

We, therefore, would appreciate it if you could be with us on October 15, 1970 at 9:30 a.m. at the Riverside County Probation Department located at 11th & Orange Streets, Riverside, California.

Yours very truly,

C. H. Jeffrey
