November 4, 1964

Endorsement of Petition

This is to endorse the petition made by the 14 citizens to serve a portion of the jail sentence imposed on civil rights leader Harold K. Brown. It is apparent to us that the actions leading to Mr. Brown's arrest were taken for the good of the whole society and if a price must be paid for Mr. Brown's right to protest against these ancient wrongs, then other members of that society be allowed to help pay that price.
