Dear Madame Chairman Dot,

Our progress at this point is absolutely indefinable; we are at once optimistic and discouraged; at one and the same time we are growing increasingly cynical about some of our better known liberal community leaders and growing more angry and determined to do this thing in San Diego come hell or high water.

Do hang onto the address labels for us; we hope within the fortnight to put them to good use. Thank you for your help.

Very Truly Yours,

J. G. Sonka
