Gentlemen:

San Diego Public Library is beginning soon a new pilot program of library service to shut-ins in Southeast San Diego, wherein a community volunteer will deliver books to people unable to reach the library because of physical disabilities.

If you know of any shut-ins who would benefit from this service, or any volunteers who might wish to help with the program, I would appreciate hearing from you or having individuals contact me directly. I may be reached at either 236-5548 or 236-5840.

Very truly yours,

E. Ann Colburn
