PROPOSITION B

(THIS PROPOSITION WILL APPEAR ON THE BALLOT IN THE FOLLOWING FORM)

B	PROPOSITION B. CITY OF SAN DIEGO CHARTER AMENDMENTS. AMEND SECTIONS 7 AND 12 OF THE CHARTER OF THE CITY OF SAN DIEGO. Shall the Charter of The City of San Diego be amended to conform residency provisions for City elective officers to constitutional requirements and substitute the words "Council member" for "Councilman"?	YES	
		NO	

This proposition amends the Charter of The City of San Diego by amending Sections 7 and 12. The portions to be deleted are printed in STRIKEOUT TYPE and the portions to be added are underlined.

This proposition requires a majority vote.

Section 7. ELECTIVE OFFICERS RESIDENCY REQUIREMENTS.

~~No person shall be eligible to or hold any~~ An elective officer of the City, ~~either by election or appointment, unless he~~ shall ~~have been~~ be a resident and elector ~~thereof for at last three years next preceding his taking office~~ of the City.

In addition ~~to the foregoing qualifications,~~ every ~~Councilman~~ Council member ~~must have been at the time of his taking office, or appointment in the event of a vacancy,~~ shall be an actual resident ~~in~~ of the district from which ~~he~~ the Council member ~~was~~ is nominated. ~~for one year immediately preceding his taking office.~~ Any ~~Councilman~~ Council member who moves from the district of which ~~he~~ the Council member was a resident at the time of ~~his~~ taking office forfeits ~~his~~ the office, but no ~~Councilman~~ Council member shall forfeit ~~his~~ office as a result of redistricting.

The Council shall establish by ordinance minimum length of residency requirements for candidacy to elective office, whether by appointment or election.

Section 12. THE COUNCIL.

The Council shall be composed of nine (9) Council~~men~~ members, including the Mayor, and shall be the legislative body of the City, each of the members of which, including the Mayor, shall have the right to vote upon all questions before it.

At the municipal primary and general election in 1979, a Mayor shall be chosen by the electors for a term of five (5) years. A Mayor shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of this Charter. The Mayor shall hold office for the term prescribed from and after 10 a.m. the first Monday after the first day of December next succeeding his election and until his successor is elected and qualified.

Council~~men~~ members shall be elected at a general municipal election held in the odd-

numbered years and, except as hereinafter provided, shall hold office for the term of four (4) years from and after 10 a.m. the first Monday after the first day of December next succeeding their election and until their successors are elected and qualifed. Upon any redistricting pursuant to the provisions of this Charter, incumbent ~~c~~Council~~men~~ members will continue to represent the district in which they reside, unless as a result of such redistricting more than one incumbent ~~c~~Council~~man~~ member resides within any one district, in which case the City Council may determine by lot which ~~c~~Council~~man~~ member shall represent each district. At the next municipal primary and general elections following a redistricting, ~~c~~Council~~men~~ members shall be elected from those districts not represented and from those districts by incumbent ~~c~~Council~~men~~ members whose terms expire as of the general election in said year. If as a result of any redistricting more than a simple majority of the City Council as redistricted shall be elected at the general election next following any such redistricting, the City Council prior to any such election shall designate one or more new districts for which the initial ~~councilmanic~~ term shall be two (2) years in order to retain staggered terms for ~~c~~Council~~men~~ members.

~~The one year district residency requirement of Section 7 of this Charter shall not apply to a person, herein called "prospective candidate," who seeks to be a candidate for election or appointment to the office of councilman and is otherwise eligible for the office, if all of the following conditions apply: a redistricting has occurred less than one year before prospective candidate, if elected or appointed, would take office; as a result of the redistricting, the district of prospective candidate's residence has changed to a district in which no councilmanic election will be held at the next succeeding municipal election, prior to filing his candidacy for election or appointment, prospective candidate moves his residence into a district bordering upon the district into which prospective candidate's residence has been placed by the redistricting.~~

Any vacancy occurring in the Council shall be filled from the District in which the vacancy occurs by appointment by the remaining Council~~men~~ members; but in the event that said remaining Council~~men~~ members fail to fill such vacancy by appointment within thirty (30) days after the vacancy occurs, they must immediately cause an election to be held to fill such vacancy; provided, however, that any person appointed to fill such vacancy shall hold office only until the next regular municipal election, at which date a person shall be elected to serve for the remainder of such unexpired term.

It is the duty of ~~c~~Council~~men~~ members to attend all Council meetings. The Council shall vacate the seat of any ~~c~~Council~~man~~ member who is absent from eight (8) consecutive meetings or fifty percent (50%) of any scheduled meetings within a month unless the absence thereof is excused by resolution of the Council.

Council members, including the Mayor, shall devote full time to the duties of their office and not engage in any outside employment, trade, business or profession which interferes or conflicts with those duties.

~~The rate of pay of each Councilman shall be Five Thousand Dollars ($5,000.00) a year.~~

No Council~~man~~ member shall be eligible during the term for which he was appointed or elected

to hold any other office or employment with the City, except as Mayor or City Attorney and as a member of any Board, Commission or Committee thereof, of which he is constituted such a member by general law or by this Charter.

ARGUMENT IN FAVOR OF PROPOSITION B

Ever get confused about government?

Like an insurance policy, a basic document guiding city government ought to be in plain, simple English so that we know exactly what it means.

That's what Proposition B is all about.

First, it would moderinze the language of Charter Sections 7 and 12 so that it conforms with a recent court mandate that forbids longer than a 30-day residence requirement to run for office.

Second, the charter currently calls all members of the council, whether male or female, councilman. So, this amendment would simply refer to councilmen or councilwomen as members of the council.

Third, since an independent citizens' commission now reviews council salaries, the compensation provision is obsolete and should be removed. That's how you, the voters, want it.

The modifications as proposed will have no impact on the conduct of city affairs.

They are simply meant to modernize the charter language and remove a source of confusion on regulations that apply to city government.

Vote YES on Proposition B.

ARGUMENT AGAINST PROPOSITION B

Do you favor **elections** to fill vacancies on the City Council? If you do, you should vote NO on Proposition B; it would make Council appointments easier.

To appoint a councilman today, the Council must first find someone who has lived in the vacant district for a minimum time. Proposition B removes **all** Charter residency requirements for an appointed councilman. They could move into **your** district today, and be your councilman tomorrow.

Four times in the past 8 years, the downtown politicians have filled Council vacancies by appointment. Most of those decisions were made in back rooms, **not** in public.

Just last year LUCY KILLEA was put on the Council, not by you, but by 5 votes on the City Council. LUCY KILLEA should have had to win **your** vote, not the politicians'.

The innocent wording of this proposal hides its real purpose, to make Council appointments easier.

Tell the Council you want **elections,** not **appointments.** Send them a message by rejecting Proposition B.

PROPOSITION C

(THIS PROPOSITION WILL APPEAR ON THE BALLOT IN THE FOLLOWING FORM)

C	PROPOSITION C. CITY OF SAN DIEGO CHARTER AMENDMENTS. AMEND SECTIONS 31 AND 134 OF THE CHARTER OF THE CITY OF SAN DIEGO. Shall the Charter of The City of San Diego be amended to conform provisions relating to political activities to State law?	YES	
		NO	

This proposition amends the Charter of The City of San Diego by amending Sections 31 and 134. The portions to be deleted are printed in STRIKEOUT TYPE and the portions to be added are underlined.

This proposition requires a majority vote.

SECTION 31. POLITICAL ACTIVITIES.

(a) No officer or employee of the City, except elected officers and unsalaried members of commissions, shall during regular hours of employment take an active part opposing or supporting any candidates in any City of San Diego political campaign or make contributions thereto in behalf of any candidates, nor shall such person seek signatures to any petition seeking to advance the candidacy of any person for any municipal office. Nothing in this section shall be construed to prevent any officer or employee, whether Classified or Unclassified, from seeking election or appointment to public office or from being active in State and Federal political campaigns, in any bond issue campaign including municipal bond issues, or from being active in local political campaigns~~; except in the City of San Diego.~~

(b) Every municipal employee shall prohibit the entry into any place under his control occupied for any purpose of the municipal government, of any person for the purpose of therein making, collecting, receiving, or giving notice of any political assessment, subscription, or contribution.

SECTION 134. POLITICAL ~~ASSESSMENTS AND CONTRIBUTIONS~~ INFLUENCE PROHIBITED.

~~No person in the administrative service of the City shall directly or indirectly give, solicit, receive or be in any manner concerned in giving, soliciting or receiving any assessment, subscription or contribution for any political purpose whatever from any other officer, employee or person. No person shall orally, or by letter, solicit or be in any manner concerned in soliciting any assessment, subscription or contribution for any political party or purpose from any any person holding a position in the administrative service.~~ No person shall use or promise to use his influence or official authority to secure any appointment or prospective appointment, to any position in the service of the City as a reward or return for partisan political service.

ARGUMENT IN FAVOR OF PROPOSITION C

California law forbids political activity by public employees on taxpayers' time.

Essentially, that has been the posture as well of our own City Charter.

In 1976, however, the California Legislature adopted a new code governing this type of activity and among its requirements were that local provisions be precisely the same.

That makes sense because why have two sets of regulations meant to regulate the same thing. One thing we don't need is more red tape.

The proposed charter change simply modifies existing charter language to conform to provisions of state law.

The measure has absolutely no impact on the constitutionally guaranteed rights of public employees to participate in political activity on their own time. The proposal just brings us into conformance with the state's provisions.

Vote YES on Proposition C to modernize the charter and clear up any confusion.

CHARLES G. ABDELNOUR

ARGUMENT AGAINST PROPOSITION C

This section of the City Charter keeps civil servants free from political influence. Because of it, no councilman or mayor can force a city employee to give money to their election campaigns.

If you want to keep it that way, VOTE NO on Proposition C.

In many Eastern states a public employee can be forced to give part of his salary to the political machine in power. The men and women who wrote our reform Charter in 1931 knew this. So they added this safeguard to keep machine politics out of San Diego.

Proposition C would repeal this protection.

If you were a City employee and a councilman asked you for campaign money, would you refuse? Remember, that councilman might someday vote on your promotion!

Keep a check on City Hall. NO on C.

PROPOSITION D

(THIS PROPOSITION WILL APPEAR ON THE BALLOT IN THE FOLLOWING FORM)

D PROPOSITION D. CITY OF SAN DIEGO CHARTER AMENDMENT. AMEND SECTION 66 OF THE CHARTER OF THE CITY OF SAN DIEGO. Shall the Charter of The City of San Diego be amended to conform residency provisions for members of the Board of Education of the San Diego Unified School District to constitutional requirements, clarify the time for taking office and delete obsolete provisions?	YES	
	NO	

This proposition amends the Charter of The City of San Diego by amending Section 66. The portions to be deleted are printed in STRIKEOUT TYPE and the portions to be added are underlined.

This proposition requires a majority vote.

Section 66. BOARD OF EDUCATION.

The government of the San Diego Unified School District shall be vested in a Board of Education, composed of five members who shall be nominated and elected at the regular municipal primary elections and the general municipal elections at the same time as the election of ~~c~~Council~~men~~ members. At the municipal primary election there shall be chosen by the registered voters of each Board of Education District two candidates for the office of any Board of Education member from a District whose term expires the succeeding December. At the general municipal election the registered voters of the whole San Diego Unified School District shall select from among the candidates chosen at the primary election in each district one candidate for the office of each Board of Education member whose term expires the succeeding December. Each candidate for the Board of Education shall have been a registered voter of the San Diego Unified School District ~~at least three years next preceding his taking office~~ and ~~shall have been~~ an actual resident of the election district from which he ~~was~~ seeks to be nominated for ~~one year~~ thirty (30) days immediately preceding ~~his taking office~~ filing of a nominating petition. The members shall serve for a term of four years from and after 10 a.m. the first Monday after the first day of December next succeeding this election ~~or~~ and until their successors are elected and qualified, except as herein provided. Any vacancy occurring in the Board shall be filled from the election district in which the vacancy occurs by appointment by the remaining Board members; but in the event that said remaining members fail to fill such vacancy by appointment within thirty (30) days after the vacancy occurs, they must immediately cause to be held a primary election in the district in which the vacancy occurs and a general election within the entire school district to fill such vacancy; provided, however, that any person appointed to fill such vacancy shall hold office only until the next regular municipal election, at which date a person shall be elected to serve for the remainder of such unexpired term. ~~Each member shall receive a compensation of $1,200.00 per annum, which compensation shall be paid by the San Diego Unified School District.~~

For the purpose of electing members of the Board of Education, the San Diego Unified School District shall be divided into five (5) districts as nearly equal in registered voter population as practicable. For the first primary and regular election held under this section, as amended, the boundaries of such election districts shall be established by the Board of Education as such Board existed on the effective date of the amendment to this section. Thereafter, the boundaries of such election districts shall be subject to alteration and change under the provisions of this section. The Board of Education, by resolution, may change and alter the boundaries of the election districts and in the resolution may describe the new boundaries by reference to a map on file in the office of the City Clerk; a metes and bounds description of the new boundaries need not be contained in said resolution.

ARGUMENT IN FAVOR OF PROPOSITION D

Charter Section 66 is another one of these government sections that tend to confuse the average citizen.

That's why it is important to pass Proposition D.

The Charter section contains an obsolete residency requirement, which has been outlawed by the courts, and fails to state the time at which members of the San Diego Unified School District Board shall take office.

In addition, language about compensation is obsolete because the California Education Code regulates matters of board pay.

The proposed charter amendment rectifies these deficiencies.

The proposed language drops the obsolete residency requirement. It also specifically defines the terms of board members. Confusion should be eliminated.

The proposed modifications will modernize the Charter and remove any sources of confusion on regulations that apply to the Board of Education.

Vote YES on Proposition D to clarify the charter and to promote more efficient government administration.

PROPOSITION E

(THIS PROPOSITION WILL APPEAR ON THE BALLOT IN THE FOLLOWING FORM)

E PROPOSITION E. CITY OF SAN DIEGO CHARTER AMENDMENT. AMEND SECTION 117 OF THE CHARTER OF THE CITY OF SAN DIEGO. Shall the Charter of The City of San Diego be amended to provide for the conversion of certain administrative positions from the Classified to the Unclassified service?	YES	
	NO	

This proposition amends the Charter of The City of San Diego by amending Section 117. The portions to be deleted are printed in STRIKEOUT TYPE and the portions to be added are underlined.

This proposition requires a majority vote.

Section 117. UNCLASSIFIED AND CLASSIFIED SERVICES.

Employment in the City shall be divided into the Unclassified and Classified Service.

(a) The Unclassified Service shall include:

1. All elective City Officers
2. Members of all boards and commissions
3. All department heads and one principal assistant or deputy in each department
4. One assistant to Mayor
5. City Manager, Assistant City Manager, and Assistants to the City Manager
6. City Clerk
7. Budget Officer
8. Purchasing Officer
9. Treasurer
10. All Assistant and Deputy City Attorneys
11. Industrial Coordinator
12. The Planning Director
13. A Confidential Secretary to the Mayor, City Council, City Manager, Police Chief, City Attorney
14. Officers and employees of San Diego Unified School District
15. Persons employed in positions for expert professional temporary service when such positions are exempted from the Classified Service for a specified period of temporary service by order of the Civil Service Commission.
16. Interns including, but not limited to, Administrative Interns and Legal Interns, temporarily employed in regularly established training programs as defined in the job specifications of the City.

17. Managerial employees having significant responsibilities for formulating or administering departmental policies and programs. Each such position shall be exempted from the Classified Service by ordinance, upon the initiation of the appropriate appointing authority and after receiving the advisory review and comment of the Civil Service Commission and the approval of the City Council

(b) The Classified Service shall include all positions not specifically included by this section in the Unclassified Service; provided, however, that the incumbents in the positions of the Planning Director and the Principal Assistant to the Planning Director on January 1, 1963 shall remain in the Classified Service until the respective positions are vacated by the incumbents.

ARGUMENT IN FAVOR OF PROPOSITION E

Proposition E provides the way to make the bureaucracy more responsive.

Proposition E requires that the Charter clearly delineate who serves as management in City Hall and who will be protected by the civil service system.

Presently, only the top two positions in each city department are non-civil service.

Proposition E will spell out who the city's executives are — those responsible for implementing public policy.

The performance standards for these positions must be the highest, and management personnel should remain on the job only as long as they remain effective.

While the number of positions affected are few, passage of this measure will permit far greater flexibility in hiring and, most importantly, the unresponsive administrator will not be able to hide behind traditional civil service protections.

In short, Proposition E streamlines the system consistent with modern management techniques. It promises increased managerial responsiveness.

That translates into doing a better job for you, the taxpayers.

For better city government, please vote YES on Proposition E.

JOSIAH L. NEEPER
Chairman, Merit System Task Force
City of San Diego

ARGUMENT AGAINST PROPOSITION E

Proposition E if passed could create a "Spoils System" for the number of jobs removed from the "Classified Service".

The Civil Service Commission feels that in order to keep "Politics" out of City Employment, and to insure continued unbiased hiring of all Races, and Ethnic Groups, as well as both sexes, this Proposition should be defeated.

The checks and balances as provided by the independent and neutral Civil Service Commission of the City of San Diego, should be maintained.

PROPOSICION B

(ESTA PROPOSICION APARECERA EN LA BALOTA EN LA SIGUIENTE FORMA)

B PROPOSICION B. ENMIENDAS A LA CARTA DE LA CIUDAD DE SAN DIEGO. ENMIENDA LAS SECCIONES 7 Y 12 DE LA CARTA DE LA CIUDAD DE SAN DIEGO.	SI	
¿Deberá enmendarse la Carta de la Ciudad de San Diego para conformar las disposiciones de residencia para oficiales electivos de la Ciudad a las disposiciones constitucionales y sustituir la palabra "Concejal" por "miembro del Consejo"?	NO	

Esta proposición enmienda la Carta de la Ciudad de San Diego por enmienda las Secciones 7 y 12. Las porciones para ser suprimidas van en LETRA TACHADA y las porciones para ser añadidas van subrayadas.

Esta proposición require un voto mayoría para ser adoptada.

Sección 7. REQUERIMIENTOS DE RESIDENCIA PARA OFICIALES ELECTIVOS

~~Ninguna persona será elegible para u ocupar cualquier~~ Un ~~cargo~~ oficial electivo de la Ciudad~~, ni por elección ni por nombramiento, salvo que haya sido~~ deberá ser residente y elector ~~de la misma por al menos tres años antes de asumir su cargo~~ de la Ciudad.

Además ~~de las condiciones anteriores,~~ cada ~~Concejal~~ miembro del Consejo debe ~~haber sido en el momento de asumir su cargo, o nombramiento en el caso de una vacante,~~ ser un residente verdadero ~~en al~~ del distrito del cual el miembro del Concejo ~~fue~~ es nominado. ~~durante un año inmediatamente antes de asumir su cargo.~~ Cualquier ~~Concejal~~ miembro del Concejo que cambia su residencia del distrito del cual ~~el~~ era residente en el momento de asumir su cargo pierde ~~su~~ el cargo, pero ningún ~~Concejal~~ miembro del Concejo deberá perder su cargo como resultado de una redistribución de distritos.

El Concejo deberá establecer por ordenanza los requerimientos mínimos de residencia para ser candidato a los cargos electivos, ya sean por nombramiento o por elección.

Sección 12. EL CONCEJO.

El Concejo deberá constar de nueve (9) miembros del Concejo ~~Concejales,~~ incluyendo al Alcalde, y deberá ser el cuerpo legislativo de la Ciudad, del cual cada uno de los miembros, inclusive el Alcalde, deberá tener derecho a votar sobre todas las cuestiones que se presenten ante dicho cuerpo.

En las elecciones municipales primaria y general de 1979, deberá ser elegido por los electores un Alcalde para un término de cinco (5) años. Posteriormente deberá elegirse un Alcalde para un término de cuatro (4) años, de la manera prescrita por la Sección 10 de la presente Carta. El Alcalde desempeñará funciones durante el término prescrito desde y después de las 10 a.m.

del primer lunes subsiguiente al primer día de diciembre próximo posterior a su elección y hasta que se elija y califique a su sucesor.

Los ~~Concejales~~ miembros del Concejo deberán elegirse en una elección municipal general celebrada en los años de número non y, con excepción de lo que se dispone aquí en adelante, deberán desempeñar su cargo durante un término de cuatro (4) años desde y después de las 10 a.m. del primer lunes subsiguiente al primer día de diciembre próximo posterior a su elección y hasta que se elija y certifique a sus sucesores. Al efectuarse cualquier redistribución de distritos bajo las disposiciones de esta Carta, los ~~Concejales~~ miembros del Concejo titulares seguirán representando al distrito en que residen, a menos que como resultado de dicha redistribución quede más de un ~~Concejal~~ miembro del Concejo residiendo en un solo distrito, en cuyo caso el Concejo Municipal podrá decidir echando suertes cuál ~~Concejal~~ miembro del Concejo deberá representar a cada distrito. En las próximas elecciones municipales generales y primarias subsiguientes a una redistribución de distritos, los ~~Concejales~~ miembros del Concejo deberán ser elegidos de aquellos distritos que no sean representados y de aquellos distritos representados por ~~Concejales~~ miembros del Concejo titulares cuyos términos vencen en la fecha de la elección general de dicho año. Si como resultado de cualquier redistribución de distritos deberá elegirse más de una mera mayoría del Concejo Municipal, según la nueva distribución de distritos, en la próxima elección general posterior a cualquier redistribución tal, el Concejo Municipal anteriormente a cualquier elección tal deberá designar uno o más distritos nuevos para los cuales el término inicial ~~del Concejal~~ deberá ser de dos (2) años, de manera que se conserve el escalonamiento de términos de los ~~Concejales~~ miembros del Concejo.

~~El requerimiento de un año de residencia en el distrito impuesto por la Sección 7 de esta Carta no deberá aplicarse a una persona, aquí llamada el "presunto candidato", quien procure ser candidato a elección o nombramiento al cargo de Concejal y sea elegible en los demás aspectos para el cargo, si existen todas las siguientes condiciones: ha habido una redistribución de distritos durante menos de un año antes de que el presunto candidato, ya sea elegido o nombrado, asumiría su cargo; como resultado de la redistribución de distritos, el distrito de residencia del presunto candidato ha llegado a ser un distrito en el cual no se celebrará elección para Concejal en la siguiente elección municipal; antes de postularse formalmente como candidato a elección o nombramiento, el presunto candidato cambia su domicilio a un distrito adyacente al distrito en que el domicilio del presunto candidato ha sido colocado por la redistribución de distritos.~~

Cualquier vacante que ocurra en el Concejo deberá llenarse del Distrito en que ocurriera la vacante por medio de un nombramiento hecho por los ~~Concejales~~ miembros del Concejo restantes; pero en el caso de que dichos ~~Concejales~~ miembros del Concejo restantes dejen de llenar dicha vacante por un nombramiento dentro de los treinta (30) días después de que ocurra, deben causar inmediatamente que se celebre una elección para llenar dicha vacante; disponiéndose sin embargo que cualquier persona nombrada para llenar dicha vacante deberá desempeñar funciones sólo hasta la siguiente elección municipal regular en la cual deberá elegirse una persona para que sirva durante el periodo restante de dicho término no caducado.

Es el deber de los ~~Concejales~~ miembros del Concejo el asistir a todas las reuniones del Concejo. El Concejo deberá deponer a cualquier ~~Concejal~~ miembro del Concejo que esté ausente de ocho (8) reuniones consecutivas o del cincuenta por ciento (50%) de cualesquier reuniones anunciadas en

un mes, a menos que la ausencia en cuestión sea excusada por resolución del Concejo.

Los miembros del Concejo, inclusive el Alcalde, deberán dedicar todo su tiempo a los deberes de su cargo y no participar en ningún empleo, oficio, negocio, o profesión ajena que interfiera o esté en pugna con esos deberes.

~~El tipo de compensación de cada Concejal deberá ser de Cinco Mil Dólares ($5,000.00) anuales.~~

Ningún ~~Concejal~~ miembro del Concejo deberá ser elegible durante el término para el cual fue elegido o nombrado para ocupar otro puesto o desempeñar otro empleo con la Ciudad, excepto como Alcalde o Procurador Municipal y como miembro de cualquier Junta, Comisión, o Comité del Concejo, de la o del cual sea designado miembro por la ley general o por esta Carta.

ARGUMENTO A FAVOR DE LA PROPOSICION B

¿Se ha sentido confuso alguna vez acerca del gobierno?

Como una póliza de seguro, un documento básico que guíe el gobierno municipal debería estar en un inglés claro y sencillo para que todos lo entendamos.

De esto mismo trata la Proposición B.

Primero, pondría al día la fraseología de las Secciones 7 y 12 de la Carta para que conforme con un mandato reciente del tribunal que prohibe los requerimientos de residencia de más de 30 días para los candidatos políticos.

Segundo, la Carta en la actualidad aplica el término de "councilman" a todos los miembros del Concejo, ya sean hombres o mujeres. Consiguientemente, la presente enmienda aplicaría el término "miembro del Concejo" tanto a los concejales como a las concejalas.

Tercero, puesto que ahora una comisión independiente de ciudadanos revisa los salarios de los miembros del Concejo, la cláusula que trata la compensación está obsoleta y debe suprimirse. Así lo han dispuesto ustedes los votantes.

Estas modificaciones, según propuestas ahora, no tendrán ningún impacto en el manejo de los asuntos municipales.

Sencillamente, están destinadas a actualizar la fraseología de la Carta y eliminar una fuente de confusión acerca de los reglamentos que rigen el gobierno municipal.

Vote SI por la Proposición B.

ARGUMENTO CONTRA LA PROPOSICION B

¿Está usted a favor de las **elecciones** para cubrir las vacantes en el Concejo Municipal? De ser así, usted debe votar NO sobre la Proposición B; esta Proposición haría más fáciles los nombramientos al Concejo.

Para nombrar un concejal hoy, el Concejo debe primero buscar a alguien que haya vivido en al distrito de la vacante por un periodo mínimo. La Proposición B elimina **todos** los requisitos de residencia para un concejal nombrado. Una persona podría establecer su residencia en su distrito **de usted** hoy, y hacerse concejal mañana.

En cuatro ocasiones durante los úutimos ocho años, los políticos del centro han cubierto vacantes en el Concejo por medio de nombramientos. La mayoría de estas decisiones se tomaron secretamente, **no** públicamente.

Apenas el año pasado, LUCY KILLEA fue colocada en al Concejo, no por ustedes, sino por cinco votos del Concejo Municipal. LUCY KILLEA debía haber tenido que ganar su voto **de ustedes,** y no el de los políticos.

La fraseología tan inocente de esta propuesta oculta su verdadero propósito, que es el de hacer más fáciles los nombramientos hechos por el Concejo.

Muéstrele al Concejo que ustedes quieren **elecciones,** no **nombramientos.** Envíeles un mensaje, rechazando la Proposición B.

Nada de lo expuesto en esta sección deberá considerarse como prohibición a que cualquier oficial o empleado, ya sea Clasificado o No clasificado, busque ser elegido o nombrado a un cargo público o a que sea activo en las campañas políticas federales y estatales, en cualquier campaña por una emisión de bonos, inclusive las emisiones de bonos municipales, o a que sea activo en las campañas políticas locales; ~~excepto dentro de la Ciudad de San Diego.~~

(b) Todo empleado municipal deberá prohibir la entrada a cualquier localidad bajo su control ocupada para cualquier propósito del gobierno municipal a cualquier persona que proponga en esa localidad efectuar, colectar, recibir, o anunciar cualquier asignación, suscripción, o contribución política.

Sección 134. PROHIBICION DE ~~RECAUDACIONES Y CONTRIBUCIONES~~ INFLUENCIA POLITICA.

~~Ninguna persona del servicio administrativo de la Ciudad deberá directa o indirectamente dar, solicitar, o recibir cualquier recaudación, suscripción, o contribución para cualquier propósito político sea el que fuere de ningún otro oficial, empleado, o persona. Ninguna persona deberá oralmente, o por escrito, solicitar o involucrarse en forma alguna en la solicitación de cualquier recaudación, suscripción, o contribución para cualquier partido o propósito político a cualquier persona que ocupe un cargo del servicio administrativo.~~ Ninguna persona deberá valerse ni prometer valerse de su influencia o autoridad oficial para lograr cualquier nombramiento o nombramiento potencial a cualquier cargo en el servicio de la Ciudad como recompensa o premio por servicios políticos partidistas.

ARGUMENTO A FAVOR DE LA PROPOSICION C

Las leyes de California prohiben la actividad política por los empleados públicos durante sus horas de trabajo.

Esencialmente ésta ha sido también la postura de nuestra propia Carta Municipal.

En 1976, sin embargo, la Legislatura de California adoptó un nuevo código para la regulación de este tipo de actividades y entre sus requerimientos se halla el de que las disposiciones locales han de ser precisamente iguales al nuevo código.

Esto tiene sentido porque ¿por qué vamos a tener dos reglamentos distintos para regular la misma cosa? Lo que sí no queremos son más enredos burocráticos.

La propuesta modificación a la Carta sólo modifica la fraseología existente de la Carta para conformarla a las disposiciones de las leyes estatales.

Esta proposición no tiene absolutamente ningún impacto sobre los derechos constitucionalmente garantizados de los empleados públicos de participar en actividades públicas en sus horas de ocio. Ella sencillamente nos pone en conformidad con las disposiciones estatales.

Vote SI por la Proposición C para modernizar la Carta y aclarar toda confusión.

ARGUMENTO EN CONTRA DE LA PROPOSICION C

Esta sección de la Carta Municipal conserva a los empleados públicos libres de la influencia política. A causa de ella, ningún concejal o alcalde puede obligar a un empleado municipal a contribuir dinero a su campaña electoral.

Si usted desea que las cosas sigan de esta manera, VOTE NO sobre la Proposición C.

En muchos estados del Este de Estados Unidos, un empleado público puede ser obligado a dar parte de su sueldo a la maquinaria política dominante. Los hombres y las mujeres que fueron autotores de nuestra Carta reformada en 1931 sabían ésto. Por eso agregaron esta protección, para que la política "de maquinaria" no llegara a San Diego.

La Proposición C abrogaría esta protección.

Si usted fuera un empleado municipal y un concejal le pidiera dinero para su campaña, ¿se lo negaría? ¡Acuérdese de que ese mismo concejal puede algún día votar sobre su ascenso!

Mantengamos el control sobre el Gobierno Municipal. NO sobre C.

PROPOSICION D

(ESTA PROPOSICION APARECERA EN LA BALOTA EN LA SIGUIENTE FORMA)

D PROPOSICION D. ENMIENDA A LA CARTA DE LA CIUDAD DE SAN DIEGO. ENMIENDA A LA SECCION 66 DE LA CARTA DE LA CIUDAD DE SAN DIEGO. ¿Deberá enmendarse la Carta de la Ciudad de San Diego para conformar las disposiciones de residencia para miembros de la Junta de Educación del Distrito Escolar Unificado de San Diego a los requerimientos constitucionales, precisar la fecha en que se asumen cargos, y suprimir disposiciones obsoletas?	SI	
	NO	

Esta proposición enmienda la Carta de la Ciudad de San Diego por enmienda la Sección 66. Las porciones para ser suprimidas van en LETRA TACHADA y las porciones para ser añadidas van subrayadas.

Esta proposición requiere un voto mayoría para ser adoptada.

Sección 66. JUNTA DE EDUCACION.

El gobierno del Distrito Escolar Unificado de San Diego deberá ser a cargo de una Junta de Educación, compuesta de cinco miembros los cuales deberán ser nominados y elegidos en las elecciones municipales primarias regulares y las elecciones municipales generales en la misma fecha en que sean elegidos los ~~Concejales~~ miembros del Concejo. En la elección municipal primaria deberán ser escogidos por los votantes inscritos de cada Distrito de la Junta de Educación dos candidatos para ocupar el puesto de cualquier miembro de la Junta de Educación cuyo término vence el diciembre siguiente. En la elección municipal general, los votantes inscritos de todo el Distrito Escolar Unificado de San Diego deberán seleccionar de entre los candidatos elegidos en la elección primaria de cada distrito un candidato para el puesto de cada miembro de la Junta de Educación cuyo término vence el diciembre siguiente. Cada candidato a la Junta de Educación deberá haber sido un votante inscrito del Distrito Escolar Unificado de San Diego ~~por lo menos tres años inmediatamente antes de asumir su cargo y deberá haber sido~~ un residente verdadero del distrito electoral del cual ~~fue~~ procura ser nominado por ~~un año~~ treinta (30) días antes de ~~asumir su cargo~~ la presentación de su petición de nominación. Los miembros deberán servir por un término de cuatro años desde y después de las 10 a.m. del primer lunes subsiguiente al primer día de diciembre próximo posterior a su elección ~~o~~ y hasta que se elija y califique a sus sucesores, con excepción de lo que aquí se disponga. Cualquier vacante que ocurra en la Junta deberá llenarse del distrito electoral en que ocurra la vacante, por medio de nombramiento hecho por los restantes miembros de la Junta; pero en el evento de que dichos miembros restantes dejen de llenar dicha vacante por un nombramiento efectuado dentro de los treinta (30) días después de que ocurra la vacante, deben de inmediato causar que se celebre una elección primaria dentro del distrito en que ocurra la vacante y una elección general dentro de todo el distrito escolar para llenar dicha vacante; disponiéndose sin embargo que cualquier persona nombrada para llenar tal vacante deberá ocupar el puesto sólo hasta la siguiente elección municipal regular, en la cual deberá elegirse a una persona para que sirva durante el periodo restante de dicho término no

caducado. ~~Cada miembro deberá recibir una compensación de $1,200.00 anuales, la cual deberá ser pagada por el Distrito Escolar Unificado de San Diego.~~

Para el propósito de la elección de miembros a la Junta de Educación, el Distrito Escolar Unificado de San Diego deberá dividirse en cinco (5) distritos tan iguales en su población ~~de votantes inscritos~~ como sea factible. Para la primera elección primaria y regular celebrada bajo esta sección, según enmendada, los límites de los dichos distritos electorales deberán ser establecidos por la Junta de Educación como existía dicha Junta en la fecha de vigencia de la enmienda destinada a esta sección. En lo sucesivo, los límites de los dichos distritos electorales deberán quedar sujetos a ser modificados y cambiados de acuerdo con las disposiciones de esta sección. La Junta de Educación podrá por resolución cambiar y alterar los límites de los distritos electorales y en dicha resolución podrá describir los nuevos límites haciendo referencia a un mapa archivado en las oficinas del Secretario Municipal; dicha resolución no tendrá que contener una descripción detallada de los nuevos límites.

ARGUMENTO A FAVOR DE LA PROPOSICION D

La Sección 66 de la Carta es otra de esas secciones gubernamentales que tienden a confundir al ciudadano medio.

Por eso es importante que se adopte la Proposición D.

La sección referida contiene un requerimiento de residencia obsoleto, el cual ha sido prohibido por los tribunales, y no estipula el momento en que los miembros de la Junta Directiva del Distrito Escolar Unificado de San Diego deben asumir su cargo.

Además, la fraseología relativa a la compensación está obsoleta porque el Código de Educación de California regula el asunto de la compensación de los miembros de la Junta.

La propuesta enmienda a la Carta rectifica estas deficiencias.

La fraseología propuesta elimina el obsoleto requerimiento de residencia. También establece en términos específicos los términos de los miembros de la Junta. Así ya no debe haber confusión.

Las propuestas modificaciones modernizarán la Carta y eliminarán cualesquier fuentes de confusión acerca de los reglamentos que afectan la Junta de Educación.

Vote SI por la Proposición D para aclarar la Carta y para fomentar una administración más eficiente del gobierno.

E PROPOSICION E. ENMIENDA A LA CARTA DE LA CIUDAD DE SAN DIEGO. ENMIENDA LA SECCION 117 DE LA CARTA DE LA CIUDAD DE SAN DIEGO ¿Deberá enmendarse la Carta de la Ciudad de San Diego para disponer la conversión de ciertos cargos administrativos del Servicio Clasificado al Servicio No clasificado?	SI	
	NO	

Esta proposición enmienda la Carta de la Ciudad de San Diego por enmienda la Sección 117. Las porciones para ser suprimidas van en LETRA TACHADA y las porciones para ser añadidas van subrayadas.

Esta proposición requiere un voto mayoría para ser adoptada.

Sección 117. SERVICIOS CLASIFICADO Y NO CLASIFICADO.

El empleo con la Ciudad deberá dividirse en el Servicio Clasificado y No clasificado.

(a) El Servicio No clasificado deberá incluir:

1. Todos los Oficiales Municipales electivos
2. Los miembros de toda junta y comisión
3. Todos los jefes de departamento y un asistente mayor o diputado en cada departamento
4. Un asistente del Alcalde
5. El Administrador Municipal, el Subadministrador Municipal, y Asistentes al Administrador Municipal
6. El Secretario Municipal
7. El Oficial Presupuestario
8. El Agente de Compras
9. El Tesorero
10. Todos los Procuradores Municipales Diputados y Suplentes
11. El Coordinador Industrial
12. El Director de Planeación
13. Un Secretario Confidencial del Alcalde, Concejo Municipal, Administrador Municipal, Jefe de Policía, Procurador Municipal
14. Oficiales y empleados del Distrito Escolar Unificado de San Diego
15. Las personas empleadas para prestar servicios temporales como peritos profesionales, cuando dichos cargos sean exentos del Servicio Clasificado por un periodo especificado de servicio temporal por orden de la Comisión del Servicio Civil
16. Los aprendices, incluyendo pero sin limitarse a Aprendices Administrativos y Legales

empleados temporalmente en programas de entrenamiento regularmente establecidos según definidos en las especificaciones laborales de la Ciudad

17. Los empleados administrativos que desempeñen responsabilidades significantes en la formulación o administración de los programas y las políticas departamentales. Cada uno de dichos cargos deberá eximirse por ordenanza del Servicio Clasificado, a la iniciación de la autoridad nombradora apropiada y después de recibir la revisión y el comentario de asesoramiento de la Comisión del Servicio Civil y la aprobación del Concejo Municipal

(b) El Servicio Clasificado deberá incluir todos los cargos no incluidos específicamente por esta sección dentro del Servicio No clasificado; disponiéndose sin embargo que los titulares de los cargos de Director de Planeación y Asistente Mayor al Director de Planeación en la fecha del 1º de enero de 1963 deberán permanecer en el Servicio Clasificado hasta que los cargos respectivos sean dejados vacantes por los titulares actuales.

ARGUMENTO A FAVOR DE LA PROPOSICION E

La Proposición E proporciona un modo de hacer que la burocracia sea más sensible.

La Proposición E requiere que la Carta especifique claramente quiénes constituyen la administración en el Gobierno Municipal y quiénes han de ser protegidos por el sistema del servicio civil.

Actualmente, sólo los dos cargos más altos de cada departamento municipal se excluyen del servicio civil.

La Proposición E explicará en forma clara quiénes son los ejecutivos municipales—aquéllos que son responsables de la aplicación de las políticas públicas.

Las normas de conducta para estos cargos deben ser de las más altas, y el personal administrativo debe continuar en su cargo sólo mientras sea eficáz.

En tanto que el número de cargos afectados no es grande, la adopción de esta proposición permitirá una mayor flexibilidad en el empleo de personal y lo que es de mayor importancia, el administrador insensible no podrá ocultarse tras las tradicionales protecciones del servicio civil.

En pocas palabras, la Proposición E moderniza el sistema de acuerdo con las técnicas modernas de administración. Promete una mayor sensibilidad administrativa.

Y esto se traduce en un mejor servicio para ustedes, los contribuyentes.

Para un mejor gobierno municipal, por favor voten SI por la Proposición E.

JOSIAH L. NEEPER
Presidente, Agrupación Especial por un Sistema de Mérito
Ciudad de San Diego

ARGUMENTO CONTRA LA PROPOSICION E

Si es adoptada, la Proposición E crearía un sistema de acaparamiento de los cargos públicos separados del "Servicio Clasificado".

La Comisión del Servicio Civil cree que para poder evitar que la política se introduzca en los empleos municipales, y para asegurar el continuo empleo sin discriminación de todas las Razas y Grupos Etnicos, así como de ambos sexos, esta Proposición debería ser derrotada.

Deberían conservarse los controles y equilibrios proporcionados por la Comisión del Servicio Civil de la Ciudad de San Diego, la cual es independiente y neutral.

CLEATOR
FOR CITY COUNCIL

A native San Diegan, Bill Cleator's love affair with his city and his concern for San Diego's future combine to provide him with insights into the problems facing San Diego.

Bill grew up roaming the hills of North Park, Kensington Heights, and Loma Portal. He hit his first home run in Balboa Stadium playing for the Point Loma High School Pointers. Following High School he went into the Navy. After the Second World War ended he came back to San Diego State, and then the University of Oregon.

Since then, Bill Cleator has been successfully building a business, raising a family and serving his community. He started San Diego's leading manufacturer of furniture—it now employs more than 50 San Diegans. He's a Board Member of the San Diego Taxpayers Association, and supported Proposition 13 to the hilt. He's a member of Point Loma Village Beautiful, the San Diego Chamber of Commerce and the Downtown Rotary.

Bill Cleator—a third generation San Diegan.

CITY COUNCIL DISTRICT NO. 6

MIKE GOTCH
Administrator/Urban Planner

Mike Gotch is **not** a career politician. Mike **is** a professional administrator. For nearly a decade he's been working with government leaders and the private sector. Mike **reduced his agency's budget** for three consecutive years. Sensible City budget cuts can be made without affecting police salaries, libraries, bus service or senior programs.

Mike is a community leader. As a past Town Council president, he understands the problems of the neighborhoods. In promoting Neighborhood Awareness Programs, Mike worked closely with the Police Department—and knows an understaffed, underpaid police force leaves its citizens underprotected.

Mike strongly supports:

- A managed growth program to provide housing we need without sacrificing our quality of life
- A revitalized downtown and clean industry to provide jobs for San Diegans
- The preservation of our canyons and open space lands

Please call—your support is important.

STEVE WITTMAN

People know Steve Wittman because he works for lower taxes and cutting government costs. He successfully proposed an $18 million City budget reduction. **Wittman was an early supporter of Proposition 4** limiting State spending (Gann Initiative).

Sixth District voters know where Wittman stands. His nearly 2 to 1 primary victory gave Steve more votes than any other council candidate in San Diego.

A former prosecutor and Deputy Attorney General, **Wittman knows law enforcement first-hand.** He can represent you without on-the-job training.

Steve is a leader in the Red Cross, Boy Scouts, and Taxpayers Association. He even helped start the San Diego Child Abuse Council.

Wittman worked through college—as a janitor and laborer—while receiving academic honors and graduating early. Then, Steve and his wife put each other through law school. **The Wittmans, including young son, Scott, are deeply committed to a safe, secure environment, and improving our quality of life.**

Joe Diaz is Up Front on the Issues.

- "We need well-qualified, fairly paid police, not strikes and sickouts."
- "We need sensible city budgets, not runaway government spending."
- "We need voluntary integration, not forced busing."

COUNCILWOMAN LUCY KILLEA

Lucy Killea was appointed City Planning Commissioner by Mayor Wilson.

City Councilmen selected her from a field of 30 applicants when they needed a new council member who could unify a divided Eighth District.

And voters of her district made it official in September when they overwhelmingly voted Lucy Killea their top choice to serve the district the next four years.

The respected SAN DIEGO INSIDE poll rated her performance second highest overall, an outstanding honor for a freshman council member after just six months on the job.

Lucy wants more and better paid police officers for San Diego.

She supports redevelopment to stop downtown deterioration and hold the line on homeowner taxes.

And she backs the Spirit of 13 initiative (Proposition 4) to keep a rein on government spending.

On Nov. 6, keep a proven leader for the Eighties and leave Lucy Killea at work for us.

COMMUNITY COLLEGE
BOARD OF EDUCATION

CITY OF SAN DIEGO
GENERAL MUNICIPAL ELECTION
NOVEMBER 6, 1979

CANDIDATES' STATEMENT OF QUALIFICATIONS

San Diego Municipal Code on Elections, Section 27.2204, and California Elections Code, Section 10012, provide that each candidate for elective office in the City of San Diego, the San Diego Unified School District, and the San Diego Community College District may prepare a Statement of Qualifications to be submitted to all voters of each district. The following statements have been prepared and filed by the Candidates and are distributed at the candidate's expense.

COMMUNITY COLLEGE DISTRICT B

GENE FRENCH

I am currently President of the San Diego Community College Board of Trustees.

In this position I have had the opportunity to help guide the District through the challenge of responding to Proposition 13. After an in depth, critical analysis of our District we cut back our 1978-79 budget 9.7 million dollars. Through careful planning and restructuring we made these dramatic reductions without adversely affecting the heart of our vocational and academic programs.

Your Community Colleges face similar challenges in the near future. I believe the experience I have had as your representative will give me a perspective that will help make the kind of decisions that will be fiscally responsible and educationally sound.

On the state level there is a growing threat of our Community Colleges losing local control. I will continue to resist this encroachment upon local decision making. On the local level we have begun an organizational restructuring that will eliminate costly duplication, dissolve bureaucratic red tape, and reduce administrative overhead.

In the face of continued budget restrictions for community colleges I will continue to seek cost effective ways to maintain our present standard of quality education.

The San Diego Community College District during my tenure has met the educational and vocational needs of all segments of our diverse society. During the period of my office I have helped guide the building of our new downtown City College campus, and our new Southeast San Diego Educational Cultural Complex and the rebirth of our Miramar campus.

The San Diego Community College District has grown to be a national leader in providing quality education and yet has maintained fiscal responsibility by being among the lowest in the costs of education to the local taxpayers.

I would like to continue serving you as your representative and I pledge to you a continued goal of quality education with fiscal restraint and responsibility.

COMMUNITY COLLEGES DISTRICT B

ROBERT BENSON

I will bring to the Board a vigorous new attitude with creative problem-solving and hard work. I think it's time for a change—that's why I'm running for this office. I'll keep the taxes low, but much more still needs to be done. I feel my abilities, experience and commitment to doing the best job possible would make me an excellent trustee and worthy of your support.

MY BELIEFS:

Years of tenure on the board do not guarantee the best trustee. (In fact, it is only likely to guarantee more of the past.) We need to progress. The tax rate should be set according to the level of service the taxpayer's want. I wouldn't deny any significant need, but a strict budget is healthy for everyone. We need to further reduce overhead costs and to improve the method of contracting for teachers. We need more sensitivity and understanding of people's concerns, and also plain talk about needs and resource limits. I do not believe interest groups adequately represent the needs of all the people, but what they say should always be listened and fully responded to. I want my decisions made fully aware of my human fallibility, and that perhaps there may still be a better way. I'll strive to be sensitive to inadequate and ineffective policies, and always willing to explore new approaches.

MY BACKGROUND:

My undergraduate study was completed at U.C. Santa Barbara. I went on to graduate study at San Diego State University. Since then I've spent over five years working for the City of San Diego. This has given me a broad perspective on the functioning and problems of local government agencies. Two of my assignments have included analyzing the budgets and operations of diverse city departments, and assisting the city's Science Advisor in solving operational problems and improving governmental technology. At the City I have gained a reputation for very good work efficiently performed.

I've also had experience in higher education. I've worked with and provided support to a number of individualized instruction courses at S.D.S.U. I've also student taught at the community college level, and have personally experienced many of the problems in higher education.

COMMUNITY COLLEGE DISTRICT D

RICHARD L. "DICK" JOHNSTON

Incumbent and Executive Director of Children's Hospital and Health Center

The Primary Election resulted in my receiving 68.8% of the votes cast. This represented the highest total percentage received by any candidate for any elective office. I believe this is a tribute to our current Community College District and its dedication to educational programs for the citizens of San Diego, and thank the voters of District D for their support.

After serving for twelve years as an elected Trustee, I am acutely aware of the significant and numerous needs as well as challenges confronting our community college system and campuses. I offer my experience and dedication with enthusiasm for continuing to serve the citizens of this great community.

The significant reductions in funding community college needs in our community and concurrent cuts in staffing (including administration) are creating both a challenge and opportunity to continue providing a quality educational program. Current organizational shifts being proposed in the community colleges require a good background and understanding to deal effectively. Perpetuating the fine academic traditions that have come to be recognized and associated with our educational and vocational programs is a goal that can best be met through the presence of a trustee who has the background and understanding on the many laws, rules and policies confronting the community colleges.

The excellent record of your Community College Board in terms of fiscal control and policy making is one of the best in the State of California. These actions have not subordinated the concern and sensitivity to curriculum responsibilities that must continue to be our equally important responsibility.

My record of service as a trustee and personal administrative experience demonstrates a real concern and zealous effort to respond, within our financial restraints, to the educational needs of this community. Whether the concerns are experienced by men, women, minorities, elderly or the handicapped, I am concerned and committed to try and seek out viable solutions and satisfaction for those involved.

I welcome the opportunity to continue serving this community as a Community College Trustee and invite you to support my candidacy.

Thank you for your consideration.

COMMUNITY COLLEGE DISTRICT D

TRUDY ROBIDEAU

The traditional role of the San Diego Community Colleges is in transition due to changing economic conditions coupled with rapid city growth. In the past the task was to provide technically competent people for the city's job market and to provide access to post-secondary education for those who for various reasons did not enter directly into a four-year institution. Now, changing enrollment patterns and budgetary limitation pose problems never before faced by the district. In order to continue providing quality education, this institution must be flexible.

It is the responsibility of the Governing Board of Trustees to be aware of the community's changing educational needs and translate them into improved services. The Board must actively, and **independently,** seek information and communicate with citizens throughout the community and bring about creative approaches to solving our new problems. In my opinion, this is not being done.

As a 23-year resident of San Diego, I have a variety of working and educational experience that would make me unique in relation to the present Board membership. I feel that my perspectives could bring some balance to the Board.

As a working woman with a family to support and raise, I took advantage of the Evening College in order to gain skills to better compete in the San Diego job market as well as avail myself of an education that would not have been possible through regular channels. I have a special appreciation of the problems and needs of women (who are using the system in record numbers).

As a student in the Evening College I served as an Associated Student Body officer and learned how the school worked first-hand. I later went to San Diego State University and majored in Public-Administration.

In my years working I have been active in two unions: The International Association of Machinists, and The American Federation of State, County, and Municipal Employees—and served on the Executive Board of my local.

Presently, I am an insurance underwriter, and have technical knowledge of building codes, construction costs, liability law, and the problems now facing school districts in these areas.

Finally, I have a renewed interest in keeping high standards in the Community Colleges of San Diego as my own family reaches college age. Free education can and must be quality education.

BOARD OF EDUCATION DISTRICT A

ROBERT C. BACON
College Instructor, Parent

I interpret my winning the primary as a message of concern for our schools from the parents and taxpayers of San Diego.

They and I stand together:

FOR . . . QUALITY EDUCATION
Let's concentrate on improving our NEIGHBORHOOD schools.

BETTER . . . USE OF ADMINISTRATORS
Administrators ought to teach one hour a day.

EDUCATION . . . FREE OF VIOLENCE AND DRUGS
Isolate/educate/help the few with problems, thus the vast majority can be better educated.

SAN DIEGO . . . MUST AVOID BUSING
Busing wastes childrens' lives, time, money, fuel, etc.
Busing does NOT improve race relations.
Busing can be stopped and 15 million a year saved!

NEEDS . . . A MAN WHO WILL ACT
Robert Bacon will get things done.

BACON . . . HAS THE QUALIFICATIONS
Two children in our schools.
Three degrees, one in administration.
Twenty years resident of San Diego.
Twenty years experience in local education.
Honorary Life PTA award.

VOTE — ROBERT BACON — THANK YOU!

BOARD OF EDUCATION DISTRICT A

JOHN WITT
President **Board Of Education**

BUSING
Successfully opposed forced busing in San Diego and will continue to oppose it in the future.

DISCIPLINE
Played a major role in developing the improved program for strong student discipline and high standards of personal conduct.

ECONOMY
Operated within mandate of Prop. 13 requiring tight budgets and lower property taxes.

EDUCATION BASICS
Placed an increased emphasis on mathematics, reading, language skills, and knowledge about our history and government.

ACHIEVEMENTS
I am proud of the record of the San Diego City Schools. They are among the best in the nation. On the 1978-79 Comprehensive Test of Basic Skills, our students in 6th, 8th, and 10th grades exceeded national averages in 20 out of 21 measures.

JOHN WITT comes to the School Board with the background of children in public schools. Navy veteran, college physics instructor, and registered professional engineer, to work for better schools for San Diego children.

BOARD OF EDUCATION DISTRICT D

BOB FILNER
AGE: 37
PARENT/UNIVERSITY PROFESSOR

In the primary, **less than 20%** of eligible voters supported the present School Board member. She has voted to demolish historic Balboa Stadium, to travel **first-class** at taxpayers expense, to allow construction of the Chollas dump adjacent to an elementary school, to build energy-wasting schools. **Isn't it time for a change?**

Bob will work to:

- establish excellence in **all** neighborhood schools.
- cut wasteful spending so precious resources are devoted to the classroom.
- restore discipline and insist students master basic skills.
- establish cooperation between School Board, administrators, teachers, parents, and community.

Bob is experienced in working with education budgets, programs, personnel—and with parents and children:

- United States Senate legislative assistant for education.
- Chairman of major committees dealing with education policies and budgets at San Diego State University.
- Active member of school PTA, Citizens Advisory Committee, Human Relations Committee.
- Youth soccer coach.

BOARD OF EDUCATION DISTRICT E

TOM JOHNSON

Tom Johnson does not believe more money is necessarily required to improve educational quality. He believes there are factors, other than money, that bear more significantly on results.

He believes the important basics—the ability to read, communicate and compute—can be taught without expensive frills; and within budget limits taxpayers will support.

He understands education is broader than just the "life survival" basics—but he nevertheless believes teaching them must be a priority mission of kindergarten through 12th grade education.

In Tom Johnson's 26 years' business management experience he has met requirements for results within strict budgetry constraints. Community-wise, he has worked voluntarily with schools to better educational quality. However, he is not so in tune with the educational system that he accepts all the standard reasons advanced to justify poor performance.

Tom Johnson will devote his business experience and personal commitment, full-time, to Board service.
