SCHEDULE D
ENFORCEABLE PROMISES RECEIVED
FORM 490

Statement covers period
From 5/2/89 Through 6/30/89

Name of Candidate or Officeholder and Controlled Committee: Friends of Leon Williams

ID Number 890737

Statement: The Treasurer of this committee is using Schedule D for the following information because he doesn't know where else it fits. Certain contributions were received during the covered period but were not deposited until the period beginning 7/1/89. These contributions were such where the Treasurer's records indicated they were part of a cumulative amount in which, (a)The contributor had maximized since 7/1/86, or (b)The contribution was for two people, one of whom had already maximized, or (c)the cumulative amount toward maximization was less than the amount of the check. The situation was further complicated by a request from Supervisor Leon Williams that such contributions be held by the Treasurer pending Mr. Williams' attempt to obtain County legislation which might allow use of the held contributions. When his legislative attempt proved inconclusive, Supervisor Williams authorized the Treasurer to take appropriate action concerning the held contributions. This was on July 8, 1989-- after the end of the current period.This Schedule D therefor contains information on certain contributions received but not deposited, thus not affecting this period's monetary situation. All such amounts finally deposited and/or returned to contributors will be specified on Form 490 for the period 7/1/89 through 12/31/89.
