V. G. [ms-0398.013.014.001]

~~Employee's performance as supervisor~~

Job of supervising Field Representative requires great deal of flexibility imagination, creativity and high achievement motivation. It requires willingness to become "involved" to pursue situations to satisfactory conclusions. Supervisor must be able to communicate easily and well with fellow employees both those supervised and by whom receive directions. Must be

able to relate ideas,
concepts and policies.
faithfully and well

~~What kind of you have~~

~~con~~

~~Difficulty~~

Shortcomings are inability to accept ideas concepts from etc as worked out by supervisor staff and relate accurately and well with supervisor ~~resulting in comp~~

Rather than trying to solve problems you become critical of situation which needs work and or clarification
