Dear Friend,

If you are ever bothered by the problem of finding a speaker for a meeting of your group, we may be able to help you.

The San Diego Chapter of the American Civil Liberties Union is activating its Speakers Bureau. We are prepared to offer speakers on a wide variety of topics that relate to the federal constitution and its Bill of Rights.

The amendments in the Bill of Rights relate to freedom of speech, of assembly, of religion, the right to a jury trial, the right of privacy, and many other guarantees that are the mainstay of our democratic government.

Our Speakers Bureau is made up of some of the attorneys who volunteer their time to defending these guarantees as well as non-attorneys who are well versed in many of our subject areas.

If you feel that we can offer you some expertise and stimulation for a meeting, please call us at 223-3863.

Sincerely yours,

Mary E. Freske
