Dear Mr. Williamson:

I protest asking County Workers to take off voluntarily when the Board gave Mr Hickey $68,000!

I have given 40 hours voluntarily to the County. I am a widow and I nearly had my retirement service discontinued because I was short of money! I think it was ill-advised, fiscally irresponsible of the Board. You seem to have no regard for the 15,000 people who work for the County. I am truly disappointed in you, Mr. Williamson. Can you give us our 40 hours back?

Lorraine Poor
