Dear Supervisor Williams,

Thank you for having the good sense to vote for a continuance of the budget adoption.

Please use the time to figure out a way to make no cuts in life threatening areas. This includes The San Diego Psychiatric Hospital, the Vista Health Center & The Sheriff's Helicopter, & any other program where cuts could endanger lives.

Also, keep the adequately trained & paid janitors in sensitive areas. Why would you want sensitive areas cleaned by contract minimum wage personnel? Didn't you read about the janitor in Milwaukee who stole sensitive data on the Dalmer case & gave it to the New York Times?

Please advise by return mail your final vote on the above matters. If you vote against any cuts for the above programs - fine. If you vote to cut ANY of them - I shall work hard to defeat you in the next supervisorial election should you choose to run for re-election.

A very concerned voter,
taxpayer & citizen + friends, Mr Pete
