Mark Schiffrin

Experience
Mailed 3/25

Dear Mr. Schiffrin:

Citizens United for Racial Equality has ~~engaged~~ benefited by having had Iona Buchholz gaining work experience ~~to~~ here for the past several months. We believe Iona has also benefited from the opportunity to up-date her typing and office skills and through the added income.

~~We are not~~

Unfortunately we are not in a position to hire her ourselves at this time. However, we would be very pleased if it were possible for her to continue on with us in the same capacity.

Sincerely,
C. Swift
