Board of Supervisors
Attention: Supervisor Bailey
County Administration Building
1600 Pacific Highway
San Diego, CA. 92101

April 13, 1992

Dear Mr. Bailey:

We are outraged that the Board of Supervisors agreed to the $68,000 severance pay to outgoing Chief Administrative Officer Norman Hickey!!!!!!!! You commented that it was the "fair" thing to do. The "fair" thing to do!!! Are you crazy? Are the other Board members crazy?

Is it "fair" to ask County employees to take voluntary time off? Is it "fair" that some County offices and parks have to be closed a couple days a month? Is it "fair" that many County Departments are working understaffed with the hiring freeze in effect?

How can you realistically expect County employees to continue to do their part, in helping with the budget woes, when the Board makes an unconscionable decision like this. It's no wonder that the County is in such a financial mess!!!

Angry and disgusted,
