Dear Ms. Lanoix:

Thank you for the additional statistical reports produced by National Tracking Systems for your municipal clients. I found our meeting about your program very informative.

The meeting we tentatively set for the first week of March will not be possible, so I am attempting to schedule a meeting for mid-March. The schedule conflicts between key County staff members are being worked out at this time.

I will be in touch with you as soon as possible with some tentative dates. If you have any additional concerns, please feel free to give me a call.

Sincerely,

Don J. Abel
Chief of Staff
