DUES

The membership year for CURE ends May 31, 1976. Renewals are due as of June 1, 1976. Rates have remained unchanged throughout CURE'S history. As of May 1 the balance in the treasury was quite low. Regular monthly expenses as well as those for the printing and mailing of this Newsletter have further decreased it. Our only source of funding is YOU the Membership. Please send in your renewals as soon as possible or bring them to the Annual Meeting June 4. Thank you very much.

ucation.

At present 61 students from 18 district schools in the Tierrasanta, Murphy Canyon, Mission Village, Normal Heights, University Heights, Allied Gardens, Del Cerro, College, Rolando, and San Carlos areas board buses each morning for the ride to Encanto, a school which offers at one site many special programs and resources not avail-

charge; an adjoining Library staffed by an aide; Early Childhood Education program; a perceptual motor skills development center; a full-time District Counselor; extensive use of instructional television with full-time personnel in charge and equipment available at all times in every classroom; four bilingual bicultural multigrade classes who wish to learn English or Spanish as a second language;

ican-American, and about 2% representation of other ethnic groups, so there is really no "majority" group.

Parents interested in the program are encouraged to call for further information or to arrange a visit to the school. During the school year, information may be obtained by calling the Magnet Program Community Aide, Mrs. Caroline Saunders (264-5400) or the Principal, Mr. George Montello (264-3191). During the summer, information is available from the Regional Director, Mrs. Grace Perkins (298-4681, ext. 353).
