Dear Ms. O'Grady,

Thank you for sharing your views on AB 4242. As you are probably aware, that bill is no longer an active piece of legislation, having died in the Assembly prior to the end of the 1990 Legislative Session.

The San Diego County Board of Supervisors opposed AB 4242 earlier this year. Additionally, on behalf of the Board, I sent Assembly Speaker Willie Brown the attached letter outlining the County's concerns.

If you have any questions or require further information regarding this matter, please feel free to contact my office. Thank you again for your interest.

Sincerely,

Supervisor Leon Williams
Chairman
San Diego County Board of Supervisors
