PRESENTATIONS:

MONITORING EVALUATION TEAMS - Lottie Hess

Ms. Hess addressed the Monitoring Evaluation Teams. There is a total of 48 schools scheduled for monitoring. By the end of this week, 24 schools (13 elementary and 11 secondary) will be monitored. Ms. Hess stated that larger teams are being used so they can monitor every class room. The primary grades are monitored for 2 days and the secondary grades are monitored for 3 days. Ms Hess reported that they are finding a lot of strengths as well as plenty of areas to be worked on.

Three major areas are looked at in the feed-back reports:

1. Campus atmosphere (How students feel on Campus).
2. Class room atmosphere (equal opportunity, participation and activities).
3. Constraints the school is under.

The monitoring teams make individual observations and feed-back related to items listed on the report sheet. The whole team evaluates and reports on the strengths/weaknesses of the schools.

MINORITY ISOLATED SCHOOLS - Dr. Isaacs

Dr. Isaacs gave and overview on the Minority Isolated Schools report and distributed a copy to each Integration Task Force member for review.

SPECIALIZED LEARNING CENTER PROGRAM - Ed Fletcher

Mr. Fletcher addressed the Specialized Learning Center program. He gave an overview of an optional program proposed by the School Board. The new project is designed to effect every student from 4th to 6th grade. Mr. Fletcher passed out a copy of the proposal to the Integration Task Force members for review and comment. The Integration Task Force will pursue ideas at the next meeting.

BILINGUAL PROGRAM - Walt Winters

Each presentation was followed by a question and answer period.

The next meeting of the Integration Task Force is scheduled for Monday, April 4, 1983 at the Chicano Federation, 920 "E" Street, San Diego, hosted by Irma Castro. The meeting will begin at 4:00 p.m.
