Brian Bilbray
San Diego County Board of Supervisors
1600 Pacific Highway, Room 209
San Diego, CA 92101

Dear Brian:

No matter what one's views of particular airport proposals, the continued delay caused by a majority of the San Diego City Council is absurd.

What will they do if they finally make a decision and the public does not support that decision? Will it mean twenty more years of pushing and pulling? More Council Votes? Recalls? Lawsuits?

It is long past time to put the Border Airport question to the voters. I urge you to put the measure on the Ballot in the upcoming November Special Election.

The Governor's call for a Special Election means that this question can be put to the voters at no cost to the County. I formally request the County Board to put the question on the November 1993 Ballot.

Sincerely,

STEVE PEACE
