Dear Friends,

The Planned Parenthood Association needs volunteers for telephone answering, baby sitting, Nursing, and general office work.

We have two offices: the main office is 108 E. Washington St. and the other is at 2137 Logan Avenue. The phone number of the Logan Avenue office is 233-9348 or for further information call 295-2223.

Spanish speaking volunteers are especially needed.

On your Manpower For Action sheet it is noted that our phone number and the name of our executive director is out-dated. Thank you for including us on your list and we look forward to receiving calls from interested volunteers.

Sincerely yours,

Willard Johnson
Executive Director
