Mr. Jim Quorter, Chair

1700 North Moore Street, Suite 1425
Arlington, VA 22209

Dear Mr. Quorter:

As members of the San Diego legislative delegation to the State Legislature, we request that the Base Closure Commission retain the Miramar Naval Air Station in San Diego, California for military purposes.

We also request that the Commission cooperate with the San Diego Port District in its capacity as the Operator of San Diego's airport, Lindbergh Field, as well as with the San Diego Association of Governments (SANDAG), to accommodate use of any lands that may become available and which are currently under the jurisdiction of the Naval Training Center (NTC) and/or the Marine Corp Recruit Depot (MCRD) in order to meet San Diego's airport expansion needs. This request is not intended to support the closure of either NTC or MCRD.

We look forward to hearing from you regarding this urgent matter.

Sincerely,

Steve Peace
