THE THIRD GENERATION OF RAGSDALES IN THE MORTUARY PROFESSION

March 2, 1972

Mr. George A. Scott
1014 Fifth Avenue
San Diego, California 92101

Mr. Scott:

Councilman Leon Williams called me and informed me that he had talked with you in regards the fund raising affair.

I would like to asked that you plan something for the fund-raising for Leon and I will be of any assistance to you that I can. I am asking that you take the lead in this matter for there is no one else that I know that could raise the money that we need.
I feel that it would be impossible to get the money from the black community, but the community would do something if you took the lead in this manner.

I believe that Tom Ham would assist us in furnishing a place for the affair.

Yours truly,

H. W. Ragsdale
