Although it is sad and written that the Supr Ct ~~[illegible]~~ been the guardian of the Afr Am rights - sometimes we have to look good and hard to see it in the Dred Scott decision by the Supreme Ct, the Bakke decision and

Now the latest ~~[illegible]~~ Supr Ct decision authored by Mrs Justice O'connor

Strange that this decision was authored by a woman whose this pledge of equal equal treatment has been similar ~~that~~ to that of Afr/Am

In 1954 with the Brown case and the civil rights act passed by Congress in the 1960, accomodation was available to some of us, in this country of California decident.

Now the civil rights bag let us in the hotel, yes we can stay in the best.

New Problem

How do I get the money to pay the bill to get out

hungers went to work and got paying when in office Am were able to the affirmative action get job, promotion and contracts

So my Friends

this road of life is

not an easy one

day by day we as

lawyer, judges, justices and

educators, and discern make

have to play our part.

We are not always proud

of the particular bend, or

rough spots that we

encounter in the law as

it guides us

But

The beauty of it

all is that we endeavor

to smooth out the rough

spots that the future will

be better
