Attn: Chris Miller
1200 Third Avenue, Suite 700
San Diego, CA 92101

Dear Mr. Miller:

We have received your request on behalf of **Friends of Leon Williams**, for Commission authorization to use a computer generated format for campaign statement Form 490, Summary Page and Schedules A, C, E, and I. Your proposed format is **APPROVED**. In order to provide verification to your filing officers, a copy of this letter should be attached to every campaign statement filed by the committee.

Commission authorization for use of a computer generated format for campaign statement pages is limited by the following:

- Only the computer format in the sample schedule(s) submitted are authorized for use by your committee. If you wish to use a computer generated format for any other schedule, it must also be submitted for authorization.

- Any substantive changes to the format of a previously approved schedule must be resubmitted for authorization before it can be used.

- The committee is still responsible for ensuring that its system correctly accounts for and accurately processes all information required by the Political Reform Act. Commission approval does not relieve the committee treasurer of his or her duties under the Act to maintain detailed accounts and to verify and sign campaign statements.

An annual review of your computer program should be conducted to ensure that all changes to the Political Reform Act and Commission regulations are incorporated.

If you have any questions please call me at (916) 322-5662.

Sincerely,

Kim M. Taylor
