Dear Drivers:

Thank you for the petition you submitted to MTDB General Manager Tom Larwin. On behalf of the MTD Board of Directors, we appreciate the opportunity to assist you with your requests.

Resolving the concerns listed in your petition will require substantial levels of cooperation, communication, and coordination among several agencies and individuals. Please be assured that MTDB is at your service to take the lead with the various agencies that have the ability to act on your requests. Staff has already begun making the necessary contacts.

Those of you who are taxi owners are in the process of electing representatives to the MTDB Taxi Liaison Committee (TLC). The TLC's first meeting will be held within the next few weeks. I have asked Mr. Juan Vargas, MTD Board Member and City of San Diego Councilman, and who is the Board's liaison to the TLC, to place your petition on the TLC agenda. The meetings are open to anyone who would like to attend.

Again, thank you for your request and especially for providing specific suggestions for resolving your concerns.

Sincerely,

Leon Williams
Chairman
