Dear Friend:

If you think four years of honest government is worth a few minutes of your time now, this appeal is addressed to you.

This is a no-nonsense letter about a no-nonsense Councilman -- Leon Williams.

Since he became the first black man on San Diego's City Council, Leon has distinguished himself as one of the most able and action-getting legislators in San Diego County.

Take a look at his record.

LEON WILLIAMS IS THE MAN WHO:

-- Put the power of the City behind the consumer by proposing the City's first Consumer Affairs Advisory Board.

-- Is leading efforts for Day Care Centers.

-- Got City Government moving to plan the development of three major industrial parks within South San Diego for more jobs and a healthier economy.

-- Fought for the redevelopment and clean up of blighted areas in the City.

-- IS effective in getting more capital improvements in areas needing it.

-- Proposed guidelines to ensure that citizen rights were not violated by Police keeping intelligence files.

21
DIEGO & SON PRINTING — 2232 NAT'L AVE., S.D.

-- Keeps fighting for non-smokers rights.

-- Moved to establish a task force to stop the exodus of human care and social service agencies from the Centre City.

-- Fought for the rights of Senior Citizens and the handicapped.

-- Strongly supports the involvement of citizens in the governmental process, at all levels, and has co-authored legislation to guarantee every citizen this right.

The list goes on. Leon should too.

And that's why we're writing you.

Leon is a quiet man who gets things done. He's a full time councilman who works overtime.

Now's the time for us to keep City Hall a place for all the people -- by supporting Leon for re-election.

If you think four years of honest government is worth a few minutes of your time now, won't you write a check in support of Leon's re-election?

Your support will enable us to tell others of Leon's good works and to begin all those things which must be done during a campaign.

Fill out the enclosed card and return it to us in the postage paid, self addressed envelope.

Thank you.

Sincerely,

George A. Scott
