Judge Earl Gilliam
United States District Court
940 Front St.
San Diego, CA

Congratulations on Your Success

Dear Judge Gilliam,

I was fortunate enough to have you as an instructor in Trial Practice in Spring 1980. I am very happy to hear of your confirmation as a judge of the Federal Court. The only thing I hope is that you are easier on me when I appear in front of you, than you were at trial practice class!

Sincerly,

Philip Dyson

You certainly deserve it!
