Don Abel, Chief of Staff
Supervisor William's Office
Mail Stop A-500

Dear Don:

To follow-up on our recent meeting regarding the Chairperson for our Economic Advisors, I've attached a list of possible candidates. I have no pride of authorship; please add other names if you wish. I'd like to reach a consensus **by Thursday, February 27, 1992**, so we can move ahead to pick the other economic advisors.

Also attached is the biography of Larry Mattera and a sampling of some of his articles. I think he would be an excellent choice as one of two economists who will serve as advisors. As you can see from his bio, he also served as a Chief Executive Officer (CEO).

In addition, I've included the biography of Harold Agnew, one of the world's leading scientists. He is retired and willing to devote the time necessary to be the Chairman of our Science Advisory Board.

I'll call you in the next few days to get your thoughts. Thanks for your help.

Best regards,

DENNIS M. KENNEALLY
