Dear Earl,

On behalf of both Burt and myself, may I extend our heartiest congratulations on your recent appointment to the Federal Bench. It is indeed pleasant to have had the privilege of watching your progress over the years and to know that even infrequently virtue not only is its own reward but is rewarded as well. We know that you will have an equally successful and brilliant career in the years ahead of you.

With every good wish and kind regard.

Cordially,

Max
