Happy To Hear
About
Your Promotion!

Your Honor:
We are indeed happy for you. I'm sure dad would be very proud of you!
Hope we can attend your official ceremonies in October.

(Remember, you married us in 1973?)

Judge Gilliam,

Your promotion
means a lot to those
Who think so much of you—
Here's hoping
you'll have more success
And more good fortune, too!

Congratulations!
