Dear Mr. McKibben:

Thank you for your recent letter regarding the North County landfill siting study. As a homeowner, I understand your concern over land use decisions which may affect your property.

The Board of Supervisors will carefully consider all their options before making a decision on the locations for future landfills to serve the North County area. We have, however, taken a position against shipping waste away from its area of origin and against privatization in matters pertaining to landfills.

I appreciate your taking the time to express your opinions to me and I hope you will contact me again if my staff or I may be of service to you in the future.

Sincerely,

Leon L. Williams
