Enclosed please find 23 copies of the latest magnet schools enrollment report, dated October 2, 1979. Also enclosed, per your request, is a list of schools in the Secondary Instructional Exchange Program. To date, two schools (Curie and Kennedy) are involved in the Elementary Instructional Exchange Program. Four more elementary schools will be designated by no later than the start of the second semester. I will provide the names of these schools as soon as they are selected.
