Please know
you have the support
and caring of so many
who keep you close
in thought
and wish you
comfort and peace.

Rebecca - Our hearts & thoughts are with you in your sorrow. You are a hero to us for all the sacrifices you made for Earl and we want you to know that if there is anything we can take off your schedule to give you some free time - we're here! — We thoroughly enjoyed the "celebration" for Earl hope it left you with warm memories
