Dear Ms. Holcomb:

Thank you for the copy of your survey results on Recreational Trails in California. Its obvious you have put a great deal of time and effort into bringing current, accurate information to the Citizen Advisory Committee on Trails.

It was interesting to note that pedestrians far outnumber the cyclists and equestrians using trails throughout the state. I was also pleased to note that in some counties the trails are being used as transportation alternatives.

I certainly appreciate the energy you are bringing to our Trails program, keep up the good work!

Sincerely,

Leon L. Williams
