In recognition of his many contributions to the law and to the community of San Diego, and in appreciation for his lifelong efforts as a vocal champion of the rights of women and all citizens, the Lawyers Club of San Diego salutes the life and legacy of Earl B. Gilliam.

As a jurist, role model and friend, Judge Gilliam's support of women in the law and his dedication to eliminating discrimination has affected generations of San Diegans.

On behalf of the attorneys, judges, law students and business members of Lawyers Club of San Diego, we salute the contributions of this fine man and express our condolences to his family on his passing.

Sincerely,

DeAnn M. Salcido
